

RO‘ZIMUHAMMAD XON ARTIKOV

FRONTEND / FULL STACK JUNIOR DEVELOPER

+998 99 817 47 46 | artikovrozik52@gmail.com | Tashkent, Uzbekistan | GitHub: Artikov-dev | LinkedIn: ArtikovDev

CAREER SUMMARY

Built practical skills in both frontend and backend development through more than 1 year of hands-on experience. Has solid knowledge of modern web technologies and frameworks, with a strong focus on creating dynamic and responsive web applications.

Gained experience working effectively in teams, led frontend processes in small teams, and actively contributed to the development of web applications. Participated in hackathons, which helped strengthen fast-thinking abilities and problem-solving skills under pressure.

Expanded expertise in mobile development (Kotlin, Java) and backend technologies (FastAPI), while working on building complex applications using modern technologies. Worked in professional team environments, continuously improving skills and growing as a development-oriented specialist open to learning and innovation.

EDUCATION AND CERTIFICATION

Bachelor’s degree (*in progress*) | PDP UniversitySeptember 2024 – Present

Field: Information and Digital Technologies

Specialization: Software Development and Programming (Fullstack Web Development)

TECHNICAL SKILLS

Web Development (Frontend & Backend): React, TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Node.js, Express.js, FastAPI (basic) | State Management: Zustand | Databases: PostgreSQL, SQL | Tools & Others: Git, GitHub, Postman, REST API Integration, Responsive Design

SOFT SKILLS

TEAMWORK AND PROJECT MANAGEMENT

Worked in small teams, including a 6-member project team, contributing to coordination and frontend development. Hackathons strengthened quick decision-making and problem-solving skills.

LEADERSHIP EXPERIENCE

Supported workflow management, task coordination, and team productivity during projects.

MENTORSHIP AND KNOWLEDGE SHARING

Taught programming fundamentals and web development to 20+ students, improving communication and explanation skills.

CONTINUOUS LEARNING, SELF-DEVELOPMENT

I continuously expand my knowledge in frontend (React, TypeScript) and backend (FastAPI) development.

MOBILE DEVELOPMENT AND CROSS-PLATFORM THINKING

I am also learning the fundamentals of mobile development (Kotlin, Java), which helps me improve my cross-platform development mindset.

PROBLEM SOLVING AND OPTIMIZATION

I focus on analyzing challenges that arise during web application development and finding efficient solutions.

CLEAN ARCHITECTURE AND PERFORMANCE
IMPROVEMENT

I have practical experience in code optimization, clean architecture principles, and improving application performance.

WORK EXPERIENCE

Frontend Developer | Lova Company Nov 2024 – Jan 2025 (3 months)

- Participated in the development and maintenance of web applications as a Frontend Developer.
- Built responsive UI components using HTML, CSS, and JavaScript.
- Worked with backend APIs and gained experience in frontend integration.
- Collaborated with the team to optimize existing features and improve performance.

Frontend Mentor (Teaching Assistant / Instructor) | PDP Junior Jul 2025 – Sep 2025 (3 months)

- Delivered practical frontend development lessons to 20+ students.
- Conducted project-based training in HTML, CSS, and JavaScript.
- Helped students improve coding skills and problem-solving abilities.
- Gained experience managing collaborative learning environments.

Frontend Developer | MohirLab Inc. Dec 2025 – Apr 2026

- Worked on developing web applications and maintaining existing projects.
- Participated in building and optimizing UI components using React and JavaScript.
- Handled API integration and ensured smooth frontend-backend communication.
- Collaborated with the team on new feature development and debugging processes.

Quality Control Specialist (Education Department) | PDP University 2026 (1 month)

- Worked in the Education Quality Control Department.
- Participated in monitoring academic processes and preparing reports.
- Conducted analytical tasks aimed at improving internal education systems.
